The Work God Does in Us

from Mark Hults

Some of it is the setting. It's an evening service, and our sanctuary looks stunning in the evening. Some of it is the spiritual significance this evening holds. If you include this date as part of Christmas, it is one of the two most holy dates on the church calendar. After this service, I almost float around the sanctuary. I'm excited about what has happened and what is yet to come. All of these feelings are real; they contribute to how we experience Christmas Eve, but they aren't the whole story.

I think one of the reasons Christmas Eve is so magical is because of the work God does as we move toward Christmas. Advent is the four-week period before Christmas when we prepare for the coming of the Lord. Our church celebrates Advent by telling the story of the prophecies of Jesus' coming and of the events that happen just prior to his birth. Then we conclude the period by retelling the birth story and all the events around it.

As we move towards Christmas this year, commit to participating in Advent. Attend events at the church, read over some of the biblical accounts of the prediction of Jesus and his birth, and commit to what God is calling you to do, as you prepare yourself for the coming of the Lord. Modern Christians celebrate this twofold. As we celebrate Jesus' first coming, we also look forward to his return, when we will experience God's kingdom in full. I hope you join us in Advent and then join us and our newly arrived king on Christmas Eve, Thursday, December 24, at 6 PM in the sanctuary.

Joyfully,

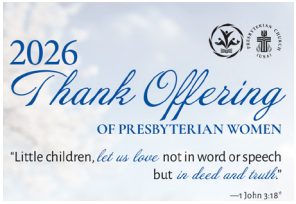

To contact Pastor Mark, email pastor@1stpc.org.

A voice cries out: "In the wilderness prepare the way of the Lord, make straight in the desert a highway for our God. Every valley shall be lifted up, and every mountain and hill be made low; the uneven ground shall become level, and the rough places a plain. Then the glory of the Lord shall be revealed, and all people shall see it together, for the mouth of the Lord has spoken."

College Ministry Update

from Jonathon Haney

Good Morning Everyone,

I have to say I am very much looking forward to my first Advent Season on staff here at the church! It has certainly been a remarkable first year. As it comes to a close, I'm hoping that I'll be able to use the experience I've gained to come at 2027 with confidence and commitment to even greater service for our students. Now, here's an update on what we've been up to for the first half of this semester and some of our plans for the remainder:

- I was so pleased to see our students lead the service on College Sunday. I thought that they each did an excellent job and I am honored to have been blessed with such a talented group of young people. Thank you to everyone who attended to support our students, and for all of you that have extended your compliments, know that I have let our students know how much you enjoyed the service!
- I am going to try planning our College Café cooks for the Spring semester in advance this year, hopefully having the semester covered by the end of December. If you would like to be put on the calendar, please e-mail me at college@1stpc.org, and we can find a date that will work.
- This semester our weekly Bible Study, Trajectory, has been working our way through the Gospel of John. So far it has been a study filled with deep and insightful discussions. We have an incredibly bright and committed group of students that are not afraid to really dig into the heart of the text. I've greatly enjoyed all of our studies so far, and am looking forward to continuing in the future.
- With the holiday season comes many holiday events. We'll have our annual pumpkin carving contest in October, our friendsgiving feast in November, and our white elephant gift exchange in December. These are always great times of fellowship and festivities to close out the year, and I am immensely excited to share these experiences with our students.
- This year we've kicked off some regular monthly fellowship events, meeting for hikes, pickleball, a morning run, and most recently bowling. These activities are a great way to add some variety to the semester and provide an opportunity for friendships to grow within our ministry. I'm hopeful to continue finding new opportunities for our students to meet and grow together as fellow believers and fellow friends.
- Finally, as I myself adjust to my new life as both our college director and a seminary student, I've already encountered some of the challenges of balancing work, school, family, and rest. Inevitably in such a juggling act some things may fall through the cracks. If they should, if I should neglect to respond to an email or text, feel free to reach out to me again. I can't say that I have fully figured out the proper balance, but I will do my best to keep up with all of my responsibilities to the best of my ability.

God Bless!

Youth Group News

Happy fall! I hope everyone is enjoying the (slightly) cooler weather and, of course, football season! The youth have had a great start to the school year. We have enjoyed dinners together, hanging out at the church for youth group, and a lock-in! We have also had nine guests join us throughout the semester so far! I have loved this time with our youth and their families and am excited for what's ahead with youth group. If you are interested in providing a meal (cooked or catered) for our youth and joining us for dinner, please let me know.

In Christ,

Katherine Whisler

Make a Joyful Noise to the Lord

First Presbyterian Church
Concert Series 2026-2027

Celebrate Veterans Day with the Gainesville Community Band, directed by Gary Langford, in the sanctuary on Sunday, November 8 at 4 p.m. The concert program includes *Strike Up the Band*, *Red, White, and Blue*, and *God Bless America*, along with additional patriotic pieces. A free-will offering benefits Gainesville Community Ministry, which provides help and hope to those in crisis. Join us for a spaghetti dinner in Gordon Memorial Hall after the concert. $5 per person; no charge for veterans.

On Sunday, December 6 at 5 p.m., come sing and hear lessons and carols for Advent and Christmas showing the development of the loving purposes of God as seen through the windows and words of scripture. At 4:30 p.m. the Gainesville Brass Quintet and First Presbyterian Jubilate Ringers present seasonal music. This Festival is patterned on the annual Festival of Nine Lessons and Carols of King's College, Cambridge, the backbone of which has remained virtually unchanged since it originated in England during the Victorian period. Gather in Gordon Hall following Lessons and Carols to enjoy our festival Christmas trees along with hot chocolate and cookies.

Two Nights of Immersive Music! Join us on Friday, January 29 or Saturday, January 30 at 7 p.m. for a spectacular concert that explores the wide ranges, boundless optimism, and adventures of the west. Be surrounded by scenes from the West while you listen to professional instrumental musicians joined by the Gainesville Youth Chorus (Friday), Voices Rising (Saturday), Dance Alive National Ballet, and a festival chorus.

For more on these fall concerts and the rest of the concert series, visit www.1stpcmusic.org.

Montreat Christmas Table

The Montreat Committee invites you to stop by the Christmas table for stocking stuffers in Gordon Hall on Sundays, December 6, 13, & 20. All proceeds benefit the children and youth who will attend the 2027 Montreat Worship and Music Conference next summer.

Calling All Pie Makers!

Pie making is a long-standing tradition of the Music Ministry. Our church family comes together to make a variety of regular-sized and miniature (cutie) pies. Many pies are sold and some are donated to our homebound church members. Pies serve as a fundraiser to send an intergenerational group from our church to the Presbyterian Association of Music's Worship and Music Conference in Montreat, NC each June.

Please join us for any or all of our pie production days: Tuesdays 6 p.m. and Fridays & Saturdays 9 a.m.-1 p.m. in the weeks leading up to "Pie Day," the last Sunday before Thanksgiving (November 22). Don't worry, we can train you! Skills are perfected and community is built over pie dough in the First Presbyterian Church kitchen!

Order Up!

Pies are available for order and pick-up now, and freezer space is very tight. Please make checks payable to First Presbyterian Church and put "pies" on the memo line. Put your order form in the offering plate, send it to the church office, or email fpcpie@gmail.com. Please do not leave payment in the back hallway. The order deadline is Sunday, November 15, and pies should be picked up by Sunday, November 22. Proceeds will benefit the 2027 Montreat Worship and Music Conference.

MONTREAT®

For more than thirty-five years children, youth, and adults from First Presbyterian Church have attended the Presbyterian Association of Musicians annual worship and music conference in Montreat, North Carolina. The week-long conference begins with a worship service on Sunday evening for the 1,000 conferees from Presbyterian Churches nationwide. Daily classes begin on Monday and are designed to enrich understanding and develop skills in the corporate worship of the church. Each conferee attends worship, choir, Bible, handbells, Orff, dance, and/or an elective course each day. The impact of this week at Montreat is far greater than the knowledge gained at the conference. The benefits of living, worshiping, praying, and playing together in community for a week are life-changing.

Each conferee pays approximately $400 for conference registration and $95 for food. In addition, each conferee is responsible for their "fairshare" of $150 for housing and transportation. The children earn their fairshare by participating in fundraising events held throughout the year. This year, our church budget allocates $10,000 towards the cost of housing and transportation. This year our goal for fundraising for Montreat housing and transportation expenses is $24,000.

The theme for June 19-26 is *Through All Generations* from Psalm 90:1, *"Lord, you have been our dwelling place in all generations."* Sign up to attend by November 15. Contact Mitch Rorick to learn more about the conference or to register

Two Montreat fundraising opportunities will be held in the month of November:

Downtown Art Festival Parking in the church SW 2nd Avenue Parking Lot on Saturday, November 14 from 10 a.m. to 4 p.m. and Sunday, November 15 beginning at 1 p.m. Thank you for your continued support.

Delicious Homemade Pies (Sweetie Pies) will be made on Tuesday evenings at 6 p.m. and Fridays & Saturdays from 9 a.m.-1 p.m. in November for members and friends of the congregation. Please see the order form here, in the pews, or the church office.

To contact Mitch Rorick, email music@1stpc.org.

Doctor Koinonia: First Year in Review

Is there a better way to practice medicine, to truly enjoy our calling as physicians, without burning out?

What does it look like for a doctor to walk in the reality of what God offers to us?

Jesus said, "Come to me, all you who are weary and burdened, and I will give you rest. Take my yoke upon you and learn from me, for I am gentle and humble in heart, and you will find rest for your souls. For my yoke is easy, and my burden is light." Matthew 11: 28-30

The Greek term for "*easy*" in this verse indicates something *"kind and good."* What does this practically look like?

The "Doctor Koinonia" group is a haven where young professionals can experience God's inner healing, moral support, and a sense of belonging, thereby empowering them to model their careers according to God's original intentions. We provide a venue for faculty to freely explore the depths of God's calling in a safe, "off the record" environment, where they can fully express their concerns and share with others, allowing healing and growth into the fullness of God's plan for their lives.

Koinonia (meaningful Christian fellowship with other doctors, receiving wise counsel from senior physician and pastoral role models, and shared peer experiences) is the mechanism by which the healing and growth will occur, creating a far-reaching eternal impact in the new generation of academic physician leaders.

July 15, 2026 marked the first anniversary of the founding of Doctor Koinonia, an original concept launched here with our very own church family, and ideally so, given our proximity to the University of Florida Medical Campus. In our first year, we are deeply grateful for how the Lord is organically growing this ministry as an intergenerational, interdenominational, and interdisciplinary enterprise, bringing together junior protégé physicians and senior physicians and pastors throughout Gainesville, with multiple medical specialties and a diversity of church backgrounds represented. We are excited to continue learning all that the Lord desires to speak to us.

If you are a junior faculty physician interested in growing into God's calling, or a senior physician or pastoral role model who would like to invest your pearls of wisdom, please join us in our collective journey! Thank you for being a genuinely caring church family that looks after the hearts of young faculty physicians in multiple ways. Onward to the rest of the story which the Great Physician has already written!

Blessings, Serendipity Zapanta Rinonos, M.D, Ph.D.

A big thank you to all our mentors listed below, who have invested their time and graciously shared their lives with us, to make Doctor Koinonia a place of healing, to fill an unmet need. We look forward to having you return in the coming year.
