Thank you for your interest in the LOGOS ministry. Someone from LOGOS Committee will contact you to answer questions about parent participation, and best dates for you to fulfill your participation.

Please let us know if there are any ways we can better serve your family. LOGOS is a weekly intergenerational experience for young people that creates an arena where all ages, together, can learn about, experience, and practice the art of Christ -centered relationships, critical for developing life-long disciples.

LOGOS models the early church in Acts 2:42, "They devoted themselves to the apostles' teaching and to fellowship, to the breaking of bread and the prayers" by providing intentional time and space for generations to learn and grow together through Bible study, worship arts, recreation and a shared meal.
